

## We want you to be in the know!

The CSI Learning Hub offers a full catalog of:

- eLearning courses
- Recordings from live webinars
- Virtual Instructor Lead Training (VILT)

All courses for CSI's products and services – including Navigating NuPoint, CSI Academy and Loans the Basics – are offered **at no additional cost**.

Simply designate an administrator for your organization, and in no time, you'll be ready to set up, assign and track learners. The CSI Learning Hub is designed to help your staff become self-sufficient.

## Want to expand your education program even further?

### These additional CSI Learning Hub services complement our core content.

**Streaming Content** – In addition to CSI Learning Hub content, you can take advantage of our full streaming package with 650+ compliance and essential business skills eLearning courses available through our partnership with OnCourse. You can also opt for the banking essentials package at a lower cost.

**Customer-Branded Site** – A branded site gives you access to CSI Learning Hub content and any unique content you choose to upload. A customized URL points your learners to your own Single Sign-On site where you can track all training for your learners in one place. Our team will partner with you for strategy development so

you can use your branded site to customize learning plans, establish groups for assignments and track course progress.

**Streaming Content and Customer-Branded Site** – Have it all! Get the CSI Learning Hub content, select a Streaming package and have it all delivered through your own branded site.

**CSI Bank Webinars** – Get access to 450+ webinars and on-demand webinars covering HR, compliance, banking, computer skills and more. Requires no contract or commitment – just register and pay for what you want.

## Contact your relationship manager to discuss the CSI Learning Hub additional features.

- Sign a supplemental agreement with your relationship manager.
- Our team works with your designated learning administrator(s) for setup and training.
- Project completion is roughly 45 days.
